

GOD SO LOVED

©2006 by Jon Murphy

*This world can be lonely
This world can be cold
When your eyes are turned to yourself
You soon forget what you've been told
That God so loved the world
That He gave His only Son
And He loves those who love Him
All your battles He has won*

Chorus

*God so loved the world that He gave
So let us love one another
For great is the price He paid
Love the Lord Your God
With heart and soul and might
Walk in love
And your pathway will have light*

*In this life things will fade
They all will pass away
But to those who claim the cross
Eternal life begins today
For those who seek the Lord will find Him
If they search with all their heart
And turn to Him for mercy
He'll give you a brand new start*

(Chorus)

*We love because He first loved us
And sent His Son into the world
So that we might love through Him*

*God says, "I love those who love Me
And will be found by those who seek
When you keep My commandments
I'll make you strong when you feel weak
But the one who does not love
Does not know Me"
So just as Christ has loved you
Pursue love and you will see, that*

(Chorus)

*Walk in love
And your pathway will have light*

Some thoughts from Jon...

The last words of I Corinthians 13 say, "the greatest of these (faith, hope & love) is love." And the first words of chapter 14 are the imperative, "Pursue love." Jesus is my perfect example of what true love really looks like and acts like. I am called to imitate God and "walk in love". Oh, how pleased the Lord would be if everything I did was done in love!
